Making Accessible Videos
A quick checklist

☑ **Add Accurate Captions**

Include all spoken content and relevant sounds

☑ **Provide a Transcript**

Helps people who prefer reading

☑ **Use Clear Visuals**

On-screen text and graphics

☑ **Describe Important Visuals**

Use narration or audio descriptions

☑ **Choose Accessible Players**

Supports keyboard navigation and caption styling

➡ Remember, accessibility isn't only a checkbox, it's just how we do things.
